

NOTIFICATION TO THE GENERAL PUBLIC

DESCRIPTION OF ACTIVITY

Transportation of two heavy oversized modules (FAR & CER) will take place from Muara Port to Politeknik Brunei Parking Area, Lumut. The convoy will depart at 10:00 PM on 19 July 2026, with an estimated arrival at 3:30 AM on 20 July 2026. The modules will be transferred to the Brunei LNG site on 21 July 2026 (early morning).

IMPACT ON THE PUBLIC

- Heavy oversized modules transportation on main road from Muara to Lumut.
- Traffic in the area will be disrupted during bridge reinforcement and modules transit operation.

POSSIBLE HAZARDS

Motorists and road users are requested to be extra vigilant while driving.

MITIGATION MEASURES

- Police traffic escort from Muara Port to Politeknik to ensure safe and orderly transportation of heavy oversized modules.
- The activity is planned during non-peak hours to minimize disruption of regular traffic flow.
- Flagmen will be on standby to monitor and manage flow of traffic.

NAME OF THE DUTY HOLDER AND ADDRESS IN BRUNEI DARUSSALAM OF THE FACILITY

- Duty Holder: Han, Yi Chour, Senior Project Engineer,
Haji Kudil, Mariatul Kiftiah, Construction Lead

NOTIFIKASI KEPADA PENDUDUK AWAM

HURAIAN AKTIVITI

Pengangkutan dua modul bersaiz besar dan berat (FAR & CER) akan dilaksanakan dari Pelabuhan Muara ke Politeknik Brunei Lumut pada jam 10:00 malam, 19 Julai 2026, dan dijangka tiba pada jam 3:30 pagi, 20 Julai 2026. Pemindahan modul ke Brunei LNG akan dilaksanakan pada awal pagi, 21 Julai 2026.

KESAN KEPADA AWAM

- Pengangkutan modul muatan berat di Lebuhraya Muara Tutong ke Lumut.
- Aliran trafik di kawasan berkenaan akan terganggu semasa kerja-kerja pengukuhan jambatan dan operasi pemindahan modul dijalankan.

BAHAYA YANG BERKEMUNGKINAN

Pengguna-pengguna jalan raya dinasihatkan supaya lebih berhati-hati semasa memandu.

LANGKAH-LANGKAH MITIGASI

- Pihak Polis akan mengiring konvoi dari Pelabuhan Muara ke Politeknik dan Brunei LNG.
- Operasi dijadualkan pada waktu bukan puncak bagi mengurangkan gangguan terhadap aliran trafik.
- Pengawal trafik akan ditempatkan di lokasi bagi memantau dan mengawal aliran trafik.

NAMA PEMEGANG DUTI DAN ALAMAT DI BRUNEI DARUSSALAM

- Pegawai Bertugas: Han, Yi Chour, Jurutera Projek Kanan
Haji Kudil, Mariatul Kiftiah, Ketua Projek Pembinaan
